### **PER FACSIMILE / MAIL**

Dear Mr Roux

### **APPROVAL OF THE REVISED ENVIRONMENTAL MANAGEMENT PLAN (REVISION 2) FOR THE 132MW NOBLESFONTEIN WIND ENERGY FACILITY ON A SITE NEAR VICTORIA WEST, NORTHERN CAPE PROVINCE**

The revised Environmental Management Programme Revision 2 (EMPr) and Final Layout dated 29 October 2012 for the construction of the Noblesfontein Wind Energy on a site near Victoria West, Northern Cape Province, refers.

This Department has accepted, evaluated and hereby approves the EMPr and the Final Layout Plan for the abovementioned project. The EMPr adequately addresses the potential impacts associated with the construction and rehabilitation phases of the project. Furthermore, the EMPr and Final Site Layout Plan should be regarded as a 'living document, which may be amended from time to time as and when the need arises.

Amendments to the EMPr and Site Layout Plan must be approved by this Department in writing before such amendments are implemented. For future amendments to this EMPr and Final Layout Plan your attention is drawn to the process outlined in GN R.543, Regulation 46 of EIA Regulations, 2010.

Yours sincerely

**Mr Mark Gordon**
